WE WENT TO THE SAME MIDDLE SCHOOL; I TRIED TO GET HER INTO THE KENDO CLUB. IT FAILED.
SHE ONLY ASKED ME "WHY?"
.....
SHE'S NOT DOING IT OUT OF HER PERSONAL INTEREST OR CHOICE
WHAT TAMA-CHAN DOES IS TO HELP THE FAMILY BUSINESS ONLY THIS TIME, THE BUSINESS IS A DOJO
KENDO IS NEVER HER CHOICE OF SPORTS.
SHE HARDLY TALKS ABOUT KENDO.
BUT, SHE HASN'T SAID THAT SHE HATES IT...
THAT'S TRUE BUT, I DON'T THINK SHE'LL JOIN US LIKE THIS.

AND, A COUPLE MUST FILL UP 100 POINTS!

CHAPTER 7
TOYAMA AND HIS PRIDE

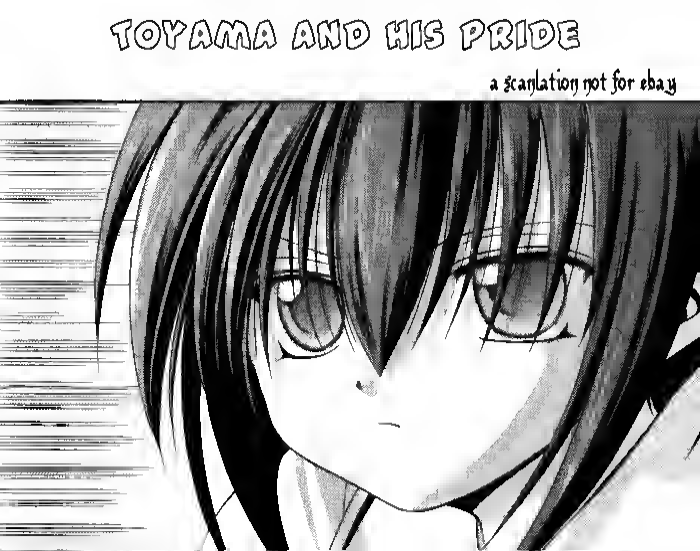
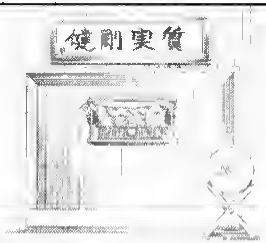
a scanlation not for ebay



The Kendo that we know is

Compared to learning skills of manipulating a sword, there is nothing more important than studying and comprehending the spirit of a Bushi*.



a progression of practices with sincerity. The Kendo is a way of enhancing your mental strength. The Kendo does not mean to teach you how to empower a sword in battle fields as a warrior would do in the past. Especially, in modern days for a student, such a sport is designated to help you form a sense of a purpose for your life.

*BUSHI - A SKILLED JAPANESE SWORDSMAN

You must understand that this is also against the principle of the Kendo.

The arc-shaped blade in front of a Japanese sword is designed for easy killing downwards.

Studying Kendo does not mean how to kill people.

Do you understand, Tamaki?

The principle of the Kendo is not how to bring your opponent down, but how to raise your own confidence and dignity.

It is not for killing. To strike is all.

The Modern-day Kendo firmly devotes to a different philosophy.

Tama-chan, 4 years old
IT'S TOO EARLY FOR YOU
SORRY.
.....
BUT REMEMBER THIS, TAMAKI
KENDO STARTS WITH A COURTESY, AND ENDS WITH A COURTESY.
THERE'S NOTHING TO BE SCARED OF
THERE IS NO OTHER SPORT MORE GRACIOUS THAN KENDO

TRY TO HOLD A SHINAI.
ALL RIGHT,

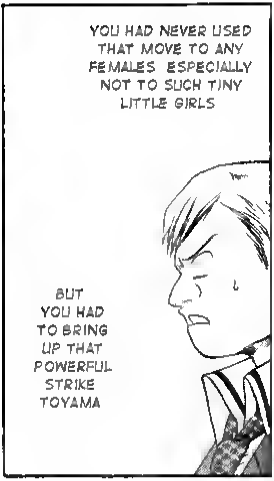
YET YOU HAVE MISSED THE TARGET FOR 3 TIMES DESPITE THAT SHE'S FAR SHORTER THAN YOU ARE!



YOU HAD NEVER USED THAT MOVE TO ANY FEMALES ESPECIALLY NOT TO SUCH TINY LITTLE GIRLS

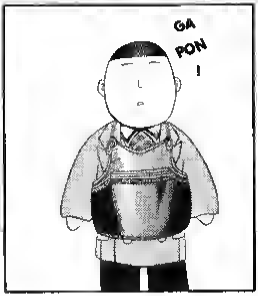
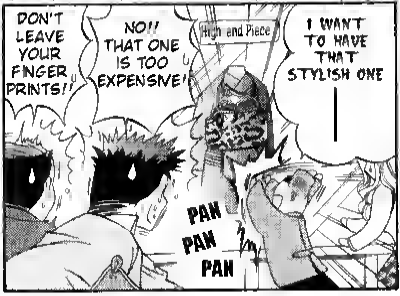
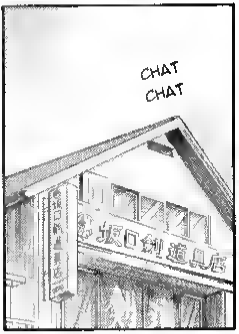
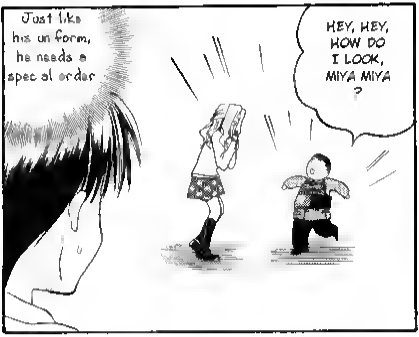
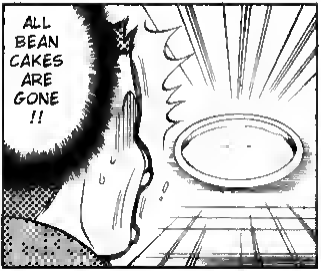
*"DOU" - TORSO. HOWEVER, IT REFERS TO THE PROTECTIVE PIECE OF TORSO IN THIS CASE

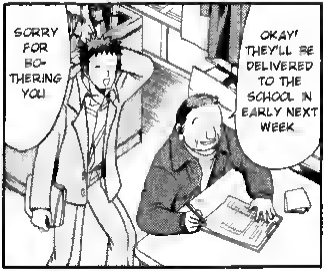


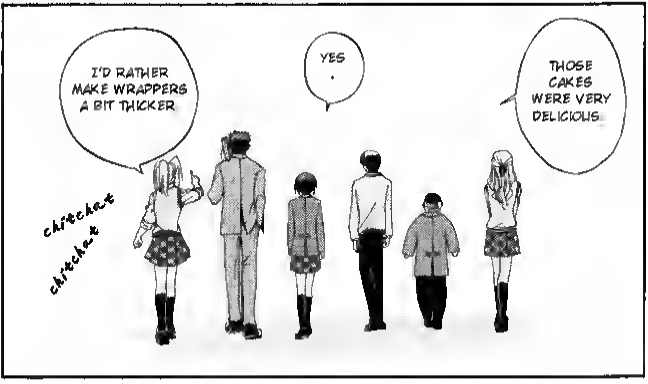












HOWEVER, NOBODY AT THE TIME REALIZED WHAT KIND OF A TRAGEDY WOULD TAKE PLACE WHEN THE ORDERS WERE DELIVERED IN THE FOLLOWING WEEK.

A few terms in the chapter:

竹刀 (shinai) - a bamboo stick

胴 (dou) - the protective piece of one's torso

お弁当 (o-bentou) - boxed lunch or "o-bento"

石田虎侍 (ishida toraji)
commonly named "Kojirou"

"Bamboo Blade" is my first experiment of being the original creator and the project leader at the same time. My job, in short, is to write the story, separate panels and sketch simple outlines and expressions. I do not feel that I should be called the character designer. That honor goes to Igarashi Sensei. If we talk about the very original creation, I am simply too busy to carry any new projects. Please accept my apology. However, this story is one in my stocks for serialized stories. I thought that it would be wise to invite someone who was excellent at drawing girls. It would be better this way than I had to do everything by myself. Now you see, the drawing from Igarashi Sensei is simply the best.

To make a long story short, I was extensively working on the new plots of "Material Puzzle" (a monthly series on shounen magazine "Gan Gan"). It left me no spare time at all.

Although I could not start a new project, a variety of ideas had swum in my mind. This one and that one, they were piling up more and more. Finally, I materialized them all into characters of a story. The story is "Bamboo Blade". Lately, I enjoy the freedom of contributing and helping out in regular basis.

In my original idea, it would be a short story about sports. I designed it about 3-5 volumes. However, if detailed plots are coming along, it may last longer. If it will not hurt your health, please read the book. Thank you for your generosity.

Hello? Put something on extra pages when the volume is going out!
(the boss)
Totsuka sensei's initial Tamaki
That sounds good!
(The Boss)
Because it's quite different! The initial image from Totsuka Sensei was something like "a tall, with big-bulbs old sister" Now, the image is completely upside-down People will scream, "Who is she?!" if they see the old images.
ha ha ha ha
Only that stuff ?
(to B)
Huh? This one
I'm sure
Yes yes yes

You sure, everything alright ?
